Dear Mr. Harris:

Re: Notice of Intention to Commence Small Mining Activities, State Lease #1 - John Harris Project, S/027/013, Millard County, Utah.

Thank you for your Notice of Intent to Commence Small Mining Operations, received by the Division November 3, 1989. The application for the proposed State Lease #1 - John Harris Project, located in Section 2, T17S, R13W, Millard County, Utah, is **incomplete**. I am returning page 4 of your MR-SMO application. We cannot accept your filing without the proper signature. Please sign the form and return it to this office in the envelope provided. We will then forward a completeness letter to you.

Upon our receipt, I will also forward a copy of your completed application to Mr. Jerry Mansfield of the Division of State Lands and Forestry for their records. I am returning that portion of your State History paleontological permit application which you inadvertently enclosed with your small mining application to this office.

The Division will suspend review and await your reply. In reply, would you please refer to S/027/013. Thank you for your cooperation.

Sincerely,

D. Wayne Hedberg
